This snowshoe trail offers you a varied nature between clearings and forests. Sunny route.

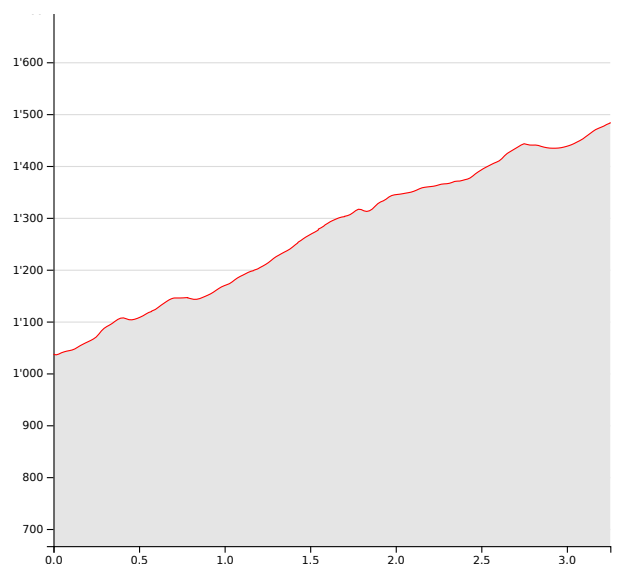

Leaving from the Brand car park. The route starts at the end of the tracks, on the far right at the entrance to the car park.

Climb along the right edge of the track towards the chalets. The route leads you along a forest road to a cabin on the edge of the slopes. From there, follow the trail to the start of the Allières ski lift.

Then turn right, through a piece of forest, and exit onto a pretty clearing. Arriving above the clearing, cross another ski lift and walk along to the Gîte d'Allièrès. A deserved stopover on the sunny terrace and you'll be ready for the return.

This unprepared itinerary is marked. You take this trail at your own risk. Snowshoeing is done in the mountains, therefore, certain rules must be respected for your safety.
