PARKING AND START AUBERGE MONTSOFFLO, MONTSOFFLO 13 (P1) / LE BRAND, ROUTE DE LA BERRA 92 (P2), 1634 LA ROCHE	

This family walk is suitable for all and takes you to Montsofflo aux Fornis, where you can savour the panoramic view over the lake „Lac de La Gruyère“, bordered by the slopes of the Gibloux and then across the plateau to the Jura chain.

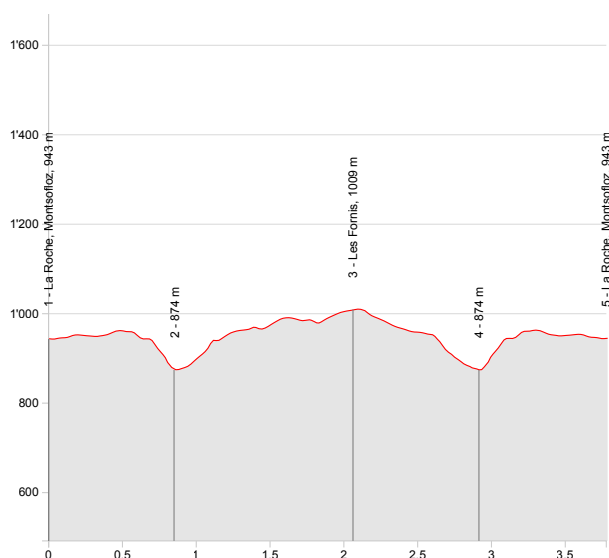

This easy, sunny route is ideal for those who are new to walking in snowshoes. It is also accessible for the whole family.

Start in the parking area at the Auberge de Montsofflo or the car park in Le Brand and walk down to the hamlet of Montsofflo via a small path opposite the combined chair lift and ski tow. You will arrive back at the same point.

Once you have your snowshoes on, start by crossing the pasture, where everyone, young and old, can enjoy a clear view over the lake „Lac de La Gruyère“, the Gibloux and the Moléson. The descent winds through the forest to the stream at Le Stoutz. If winter has done its work, you will see a beautiful frozen waterfall. Once you have crossed the stream, walk back up the left bank to where Les Fornis farm nestles into the hillside. You will cross a few small tributaries of Le Stoutz as you return. Stop at the Auberge du Montsofflo or the Restaurant du Brand for a well-deserved rest.

This unprepared itinerary is marked. You take this trail at your own risk. Snowshoeing is done in the mountains, therefore, certain rules must be respected for your safety.
