

THE CHILDREN'S TREASURE HUNT

Welcome !

Children and adults alike will love this discover tour through the streets of Fribourg's medieval old town.
The rules of the game could not be easier :

Find the hotspots: with the help of the map of Fribourg and the pictures in the questionnaire, make your way to each of the treasure hunt's destination.

Solve the clues:

Once you have reached at the destination, read and solve the clue. Take a good look around you - the answer is closer than you think! Check the box beside the answer you think is the right one (there is only one correct answer per question). Enter the letter in the corresponding box below. Do this for every answer until you have found the mystery word.

Back to the tourist office :

Head back to the tourist office to find out if your mystery word is the right one. There is a reward for everyone who solves all the clues correctly.

The mystery word is...
